

Kartha Veeryarjuna Stotra

Kartha Veeryarjuna Dwadasa Nama Stotra

[Kartha Veeryarjuna was a king of Hehaya dynasty. He is believed to be the incarnation of Vishnu Chakra. It seems Chakra was once proud that Lord Vishnu depended on him and Lord Vishnu wanted to teach him a lesson. He did this by killing him with his own incarnation, Parasurama. This stotra is believed to help us recover stolen or snatched items. The stotra is to be read and then the manthra should be used to meditate or do fire sacrifice, addressed to the God.]
